

Dear Parents and Carers,

On Wednesday 29<sup>th</sup> January we are going to be having a French day during which the children will be able to experience a range of French-based activities with a focus on speaking and listening.

This day will be a non-uniform day and children can dress in the French colours blue, white and red.

This year, we would like to invite parents and carers to work with their child to create a French-based piece of Art or Design. This might be creating a model of a French landmark such as the Eiffel Tower, baking some French pastries, creating a poster about France or anything else you can think of. Children will be awarded certificates for their creations. Please could these be brought in on the 29<sup>th</sup> January.

We thank you for your continued support and look forward to sharing another fun-filled day with the children as part of our exciting curriculum.
