

Our World From Space!

FREE!

Sign up using
QR code

The National Space Centre's IGNITE! After School Club is a free four-week programme guided by space experts for ages 7-12.

Join us to find more about our world from space. Understand how we launch satellites into space, and how we can use Earth Observation satellites to observe animals, track their migration and spot changes to habitats!

Dates	Thursdays 6 th , 13 th , 20 th , 27 th June	Venue	Beaumont Leys Library Beaumont Way LE4 1DS
--------------	---	--------------	--
