

Jamie Vardy Visit Competition

We're excited to announce a special opportunity for our students to **meet Jamie Vardy** as he bids farewell to Leicester City at the end of this football season!

To celebrate his inspiring journey, we're inviting children to create their own **stories of perseverance and hard work**—just like Jamie's. These entries can be **written, illustrated, or a combination of both**, and should reflect the spirit of determination that Jamie Vardy has shown throughout his career.

Entry Guidelines:

- Format: **Single-sided A4 sheet, landscape**
- Background: **Predominantly white**
- Content: Inspirational personal story (written, illustrated, or both)

We will be selecting **five entries** to submit to Leicester City, and **two lucky Leicester schools** will win the **grand prize—a visit from Jamie Vardy himself!**

- **Deadline:** Friday, 9 May
- **Winners Announced:** Monday, 12 May
- Please submit entries to your child's class teacher.

Jamie Vardy's own story is also attached for inspiration—let's get creative and show what perseverance and resilience means to us!
