

BRITISH VALUES

RULE OF LAW

We have a police force who encourage people to do the right thing and not break the law - this means we are safe.

We follow the 'Golden Rules' and understand right from wrong.

TOLERANCE OF DIFFERENT FAITHS AND BELIEFS

In Britain, we accept that other people might have different beliefs than ours and that they may believe in different religions.

I learn about many different religions and celebrations through R.E., in assemblies and PSHE.

INDIVIDUAL LIBERTY

As long as we are not breaking the law, we can live our lives as we choose to and have our own opinion on things.

I can choose whichever club suits my interests and talents through freedom of choice.

DEMOCRACY

We have the ability to vote for people who make the laws and decide how the country runs.

Each year School Council members are elected through a voting system. They meet regularly to discuss and act upon issues raised by different classes.

MUTUAL RESPECT

Even if we may not agree with other people, we show respect by listening to their thoughts and feelings and can expect others to show us the same respect.

At ARH, we are kind and polite and celebrate each other's achievements.
