Today's new sound is the digraph 'oi'.
Can you think of any words that have the 'oi'
sound in? Can you name more than 5?

Sentence Time!

Can you write a sentence for each of
these words?

- **point**
- **join**
- **soil**

Remember to put finger spaces
in between the words and a full stop
at the end of your sentences.

Practice forming the 'oi' sound.
Remember to use messy
writing too!

Can you read these words using
different actions to sound
them out?
