

Counting in 2's

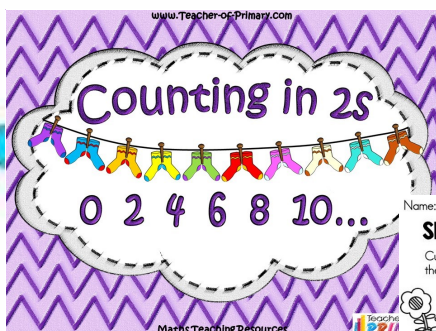

Today's activity is all about counting in 2's.

There are a lot of great counting in 2's songs on youtube, why don't you listen to a few to remind you of which numbers we need when we count in 2's.

When we count in 2's, all the numbers are even numbers. Can you write the numbers to 10 and put a circle around all the even numbers? Does it make a pattern?

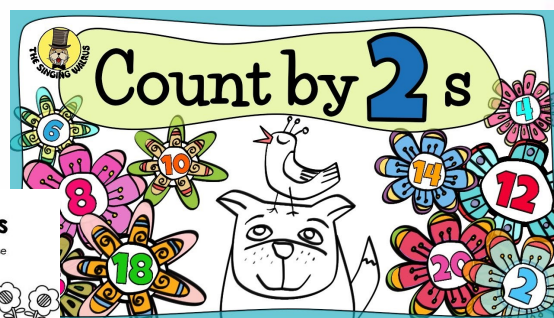

Now can you write the numbers to 20 and circle all the even numbers. Does the pattern continue?

For today's activity, you will need lots of pairs of socks! Socks come in 2's, so we want you to count how many socks you can find in your house, but make sure you are counting in 2's!

Name: _____
Skip Counting Flowers 2's
 Cut and paste the numbers to show counting by 2's. Use the flowers to help you count.
