

# Phonics - Obb and Bob!

This week we have got a Phonics challenge for you. We want you to sound out and read the words below. You then need to write them down and sort them into two piles—Obb (real words) and Bob (alien words). This is a challenge from the teachers, however if you want to continue with the Obb and Bob, here is a link with an online game! Make sure you choose Phase 3 or 5!
