

# What Makes You Happy? Day 3

As it is our last day of English this week, today we will be writing our lists! Don't forget to use the features we learnt about yesterday. Here is my list as an example.

## Things That Make Me Happy

Seeing my family  
Reading books  
Being a teacher for my class  
Looking at your work on Seesaw  
Listening to music  
Baking cakes  
Cuddling my pets  
Being given flowers

My list is okay - I have used all my features and it is correct, but it is not very interesting! So I'm going to add some adjectives! Can you do the same to your list?

## Things That Make Me Happy

Seeing my **wonderful** family  
Reading **exciting** books  
Being a teacher for my **incredible** class  
Looking at your **amazing** work on Seesaw  
Listening to **upbeat** music

We'd love to see your lists, so please send them to us on Seesaw so we can see what makes you happy!
