

Reading

Your reading activity today is to retell your favourite story. First things first, you need to choose a story you like and read it with a grown up.

Now you've read it can you answer these questions?

1. What do you like about this book?
2. Who are the characters? What do they do?
3. What happened in the beginning, middle and end?
4. What are the main events that happen in the story?

Now you've told us your favourite book we want you to have a go at retelling it! To help you with this you could make a story map (see image below) or act it out. This will help you remember what happened in the story.

Now you're ready to retell the story to you teachers! You can either retell the story by writing it or acting it out in a video.

Don't forget to take a picture/video and upload it to your Seesaw or email it to us!

We can't wait to read your retell of your favourite stories!
