

Mathematics!

Today you are going to look at counting in 5s. First of all I want you to listen to our 'Counting by 5s' song. Here is the link:

<https://www.youtube.com/watch?v=5FaBDqOmiyI>

After you have listened to this, I want you to have a go at practising counting by 5s in different ways. Can you paint your hand and do hand prints to count in 5s? Can you use cereal or other objects and count them in 5s?

Send us any pictures of your work to our school email—or upload them on to Seesaw so we can see what you have been up to!
