

Reading

For this weeks reading task we want you to find a book that relates to something you have done before. It could be a book about going to school, going on holiday, playing football. Anything you have done before. Read the book and post a picture of it on seesaw. You could look on the oxford owl website or www.online.raintree.co.uk (which we posted the login details for last week on seesaw) for books if you can't find one at home.

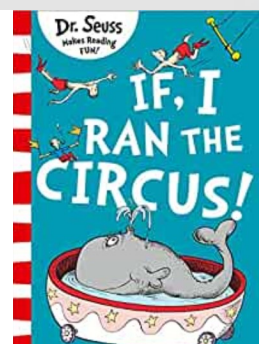

Here are some books that Miss Venning found about things she has done before.

Visited the beach and collected sea glass.

Adopted two rescue cats.

Went to see the circus.
