

Counting in 10's

You have done such a brilliant job counting in 2's and 5's over the last few weeks, and today's task is counting in 10's! The first part of this activity is to practise counting in 10's out loud! You can either do this by saying the numbers or you can sing along to a youtube song!

Now you are so good at counting in 2's, 5's and 10's, let's see if you can spot where these numbers overlap! I have put a blank 100 square at the bottom of the page. Can you colour in the numbers in the right colours?

Any numbers counting in 2's - Red

Any numbers counting in 5's - Blue

Any numbers counting in 10's - Green

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
