

Reading!

Today your focus is going to be on reading. I want you to read your favourite story from start to finish. Remember what happens at the beginning, middle and end!

After you have done this, I want you to draw a story map which shows all of the wonderful things that happen in your story!

I have given you an example below to help you.
This story is called 'Little Red Riding Hood'.

Look at how each picture shows what is happening in the story.
