

Phonics

This PowerPoint takes you through recapping phase 5 sounds. You will look at reading these sounds and saying them. Each day has some sounds for you to learn, say and read. You can then challenge the children by encouraging them read a sentence with the sounds in. Encourage them to read the sentence, act it out, e.g. put in the capital letter, finger spaces and full stop. Can they spot where the phase 5 sounds are?

If you want some more interactive games you can also use:

You can also choose which sounds to focus on when you click a game.
