

Well-Being Activity!

This week we want you to focus on making a collage with your family. Can you work together to make it bright and beautiful? We want you to make a nice, colourful rainbow to brighten up your day! You can use any materials you have at home—tissue paper, paint, card, cut outs from magazines etc...

When you have done this we would love to see it, email it to us on

arhyear1@aldermanrichardhallam.leicester.sch.uk

Have a look below for some examples...
