

English - Day One

This week in English, our focus is going to be on writing your own character description of someone in your family.

A character description is where we use adjectives (describing words) to describe what a person looks and acts like.

Your first task is to read my character description of Ariel below. We want you to pick out all of the adjectives we have used—see if you can spot them all. Can you write the adjectives in your own sentence?

Cinderella has large, blue eyes that sparkle in the sunlight. She wears a long, elegant ball gown that is bright blue like the sky. Her delicate hands are covered by soft, satin gloves. Her dainty pearls glisten in her ears, looking as luxurious as ever.

Cinderella is a beautiful girl who is kind, patient and polite.
