

Handwriting Practise!

As you know at school, we have been practising our beautiful cursive handwriting. Today, your challenge is to practise writing these phase 5 tricky words. We want you to have a go at reading them and then writing them as beautifully as you can. Remember how our cursive letters look!

oh

looked

people

Mrs

Mr

their

asked

called

could

As an extra challenge, do you think you could write these tricky words in a sentence?

For example:

Mrs Smith looked over at me and asked if I could clean her garden.
