

This week we would like you to **design** your own Iron Man!

If you have been watching the reading videos by Mrs Ringe and Mrs Pickering, you should have some ideas of what it looks like but feel free to use your own imagination and be creative too!

Things to consider:

- How big will it be?
- What materials will be needed?
- How will you make it waterproof?
- Does it have any special powers?

There are a number of ways you could design your Iron man:

- Draw it on paper with labels
- Do a painting
- Make a model using Lego, cardboard boxes, paper mache or anything else you can think of!

Once you have designed your Iron Man, we would like you to **evaluate** it. To do this you may need to answer questions such as:

- Does it look like your design?
- If you could do it again, what would you do differently? Would you remove any of your ideas? Add some more ideas?

Most importantly, just have fun with this!
