

Here is a poem to perform all about 'The Magic Faraway Tree'. Can you perform it by reading it out loud? Can you add rhythm, actions, special sounds/voices or even instruments to make it even better?

The Faraway Tree Poem

Have you seen the Land
Of Do As- You-Please?
You can drive a steam train
Or sail the seven seas

Wisha wisha wisha wisha

What will we see?

We're going to the top

Of the Faraway Tree

Would you like a gift
To give to a friend?
Then try the Land of Presents
The choices never end.

Wisha wisha wisha wisha

What will we see?

We're going to the top

Of the Faraway Tree

If you're feeling magical
Go to the Land of Spells
But don't ask for the secrets

A wizard never tells!

Wisha wisha wisha wisha

What will we see?

We're going to the top

Of the Faraway Tree

Try the Land of Birthdays

If you love your special day

There's chocolate cake and presents

Plus exciting games to play!

Wisha wisha wisha wisha

What will we see?

We're going to the top

Of the Faraway Tree

Visit the Land of Toys

If it's adventure that you crave

There are teddy bears and clockwork dolls

But make sure you behave!

Wisha wisha wisha wisha

What will we see?

We're going to the top

Of the Faraway Tree

You can see the Land of Dreams

If you really dare

Just watch out for the Sandman

You might end up staying there!

Wisha wisha wisha wisha

What will we see?

We're going to the top

Of the Faraway Tree.
