

TASK 1- reading and comprehension

This week we are coming to the end of our book 'The Iron Man' which is a book written by Ted Hughes. We are going to be writing our very own book reviews of this book!! For the reading and comprehension task, check out the video of one of the Year 2 teachers reading the next chapter and find the comprehension activity to go with it on Seesaw! Enjoy 😊

Task 2

To start, our book reviews needs a title page. So for this task I would like you to draw the front cover of the book, including the title and author. This will let people know we are reviewing 'The Iron Man'. Check out the picture below to help you. You could try to draw the front cover straight onto Seesaw or do some drawing or other art work on paper; your choice! There are different versions of the book so pick your favourite!

Task 3

So, for this task I want you to list all the good points about this book. What did you most like about the book? Is it the pictures? Characters? Story line? Language? Is there a certain part or chapter that is better than the rest? Have a think and gather all the good points you have about this book.

I would now like you to list the not so good points about the book. Are there any parts of this book you don't particularly like? Remember a book review needs to be honest so no right or wrong answers here! Maybe you didn't like one of the characters or was the language used too hard? Was there a chapter that was quite dull? You could even think about what the author could've done to make this book even better!

Task 4

So far you should have drawn the front cover of the book and have some good points about the book and some not so good points. They will be needed to write our honest book review.

For this task we are going to split our writing into three parts (or paragraphs). For the first part, I'd like you to start with 'I'd recommend this book because...' You can then write some sentences for why you would want someone to read this book, what are the good points?

For the second part or paragraph, you could start with 'However...' Here you can then list the not so good qualities of the book or improvements you think could be made.

For the final part what is your overall opinion? Would you want your friend at school to read it? Give the book a star review out of 5 at the bottom of your page. Is it 1 star=terrible or is it 5 star= Outstanding? Or is it somewhere in the middle (2,3 or 4 stars)?

Have fun writing your book reviews of 'The Iron Man' Year 2; let us know what you think of this book!😊
