

Easter Crispy Cookies Recipe

You Will Need:

3 tbsps butter or margarine
300g regular marshmallows
6 cups rice pops
Icing sugar
Sprinkles
Large roasting tin
Cooking spray
Greaseproof paper
Egg-shaped cookie cutter
Large saucepan
Cooling rack

Method:

1. Melt the butter in a large saucepan.
2. Add the marshmallows and stir until they have all melted.
3. Take the saucepan off the heat and add the rice pops.
4. Stir all the ingredients together until the rice pops are all covered in marshmallows and butter.
5. Prepare the roasting tin by coating it with cooking spray and pour the mixture in.
6. Put the greaseproof paper over the mixture to prevent it from sticking, and roll it out.
7. Using the egg-shaped cookie cutter, cut the mixture into egg shapes. (If the mixture keeps sticking to the cutter, dip it in water).
8. Put the eggs on a cooling rack until they have set.
9. Make up some icing sugar. This will be used to stick the sprinkles onto the egg. (You could also use melted chocolate if you prefer.)
10. Dip one end of the eggs into the icing sugar then into the sprinkles.
11. Leave the eggs to set.

Easter Joke Multiplication Code Breaker

To find the punch line to the Easter joke, work out the calculation for each question. Next, use the grid to find the letter that corresponds with each answer and write it in the egg. Then crack the code. The first one has been done for you.

Question: Why do you never see dinosaurs at Easter?
