

## Research Project

You need to find out about trench warfare. Use any resources to answer the following questions. You can bullet point your answers, but please do not simply copy from the book.

<u>What was a trench</u> <u>(what was it used for?)</u>	<u>Where were the trenches?</u>
<u>Why was World War One</u> <u>fought in the trenches?</u>	<u>5 other interesting facts</u> <u>about trenches</u>

### Next...

Use textbooks and the internet to research what the trenches looked like. You may include maps of where they were, photographs and diagrams. You may stick in pictures that you have downloaded but **some must be drawn**.

### And finally...

Use textbooks and the internet to find out what it was like to live in the trenches. Use this information to complete a mind map below using words and pictures to explain your ideas.

Include these topics,

- Rats
- Lice
- Weapons
- Routine
- Weather
- Health
- Any other information
