

Rainbow Bites Award

We're excited to introduce the Rainbow Bites Award!

A fun, positive way to encourage nutritious lunchbox choices for our children.

Children can earn Rainbow Bites stickers at lunchtime when they bring nutritious foods in their lunchboxes.

How does it work?

- At lunchtime, staff look for nutritious food choices
- Children who include nutritious items receive a Rainbow Bites sticker
- Stickers can be collected, celebrated, or added to charts at home.

Every nutritious choice counts!
