1. General Principles

The school's Governing Body is committed to the general principle of free education. The Governing Body recognises the valuable contribution that a wide range of activities, including school visits, residential experiences and clubs, can make towards all aspects of pupils' education. The Governing Body would accordingly wish to promote and provide as far as possible such activities as part of a broad and balanced curriculum for the benefit of pupils of the school.

2. Charges

The Governing Body reserves the right to make a charge for the following activities, which may from time to time be organised by the school:

Residential Activities held during school hours: Charges may be made for the board and lodging element of those residential activities, which take place during school hours. Parents and carers will be notified in advance of any such activities which the school proposes to organise, and the estimated cost. Consent will be obtained for participation in any such activities for which a charge may be made. Any charge for a particular activity will be calculated by reference to the actual cost of providing the board and lodging for each pupil; no other costs will be covered by the charge. Any remission arrangements for such activities will be at the discretion of the Governing Body EXCEPT in the circumstances described in paragraph 3.1 below. Parents or carers of pupils entitled to the Pupil Premium have the option to use these monies to cover the cost of nominated school trips, residential or activities, the purchase of school sweatshirts/cardigans, book bags and/or P.E. bags, the cost of any breakfast club and books or resources.

Activities held outside school hours: The school will endeavour to provide a range of such activities from time to time. These will sometimes include day and residential experiences and are known generally as 'optional extras'. Charges may be made for these activities EXCEPT where they are provided to fulfil any requirements specified in the syllabus of a prescribed public examination or are required in order to fulfil statutory duties relating to the National Curriculum or to religious education in which case they are not regarded as optional extras as such and charges cannot be made. (Board and lodging charges may still however be made for any residential activities subject to the remission arrangements described at paragraph 3.1 below). Parents and carers will be notified in advance of any 'optional extras' that the school proposes to organise and the estimated cost. Consent will be obtained if children are to participate in any activities for which a charge may be made.

Any charge for a particular activity will be dependent upon the type of activity, its cost and the number of participants. This charge will not exceed the actual cost of providing the activity, divided equally by the number of pupils willing to participate. The charge may however include an appropriate element for such things as:

- i. the pupil's travel.
- ii. the pupil's board and lodging costs.
- iii. materials, books, instruments and other equipment.
- iv. non-teaching staff costs.
- v. entrance fees to museums, castles, theatres etc.
- vi. insurance costs.
- vii. the expenses only of participating teachers engaged on a separate contract for services to provide the 'optional extra'.

Any remission arrangements for such activities will be at the discretion of the Governing Body, EXCEPT in the circumstances described in paragraph 3.1 below.

Materials and Ingredients: A charge will only be made for any materials and ingredients relating to activities taking place during school hours where parents or carers have indicated in advance a wish to own the finished product e.g. in cooking or design & technology or art. Alternatively, parents and carers may, in these circumstances, be asked to volunteer to provide the ingredients and materials prior to the activity taking place.

3. Remissions

Where the parents or carers of a pupil are in receipt of Income Support, Family Credit or Universal Credit, the Governing Body may remit in full the cost of board and lodging for any residential activity the school organises for the pupil if the activity:

- i. takes place within school hours, OR

- ii. forms part of the syllabus for a prescribed public examination or fulfils statutory duties relating to the National Curriculum or religious education, irrespective of whether the activity takes place within or outside school hours.

Any other remission arrangements for a particular activity or pupil will be entirely at the discretion of the school's Governing Body. Any subsidy provided by the Governing Body will be met from the funds at its disposal.

Such remission will be outside the scope of the school's Pupil Premium Policy.

4. Voluntary Contributions

Nothing in this policy statement precludes the school's Governing Body from inviting parents and carers to make voluntary contributions for the benefit of the school or in support of any school activity, whether during or outside school hours. Any contributions sought will be entirely voluntary and pupils will not be treated differently according to whether their parents make a contribution in response to any invitation.

5. Breakages and Damage to School Property

The school's Governing Body reserves the right to seek reparation from parents or carers where their children cause breakages or damage to school property.

6. Lettings

See Lettings Policy for full details on lettings.

7. Late Collection Charges

See the Collection Policy for full details.

8. Review

The school's Governing Body reserves the right to review and amend this policy statement from time to time as appropriate.
