

Superhero Sponsored Walk!

Dear Parents/Carers,

To help raise money for both Design and Technology and our up and coming Mud Club, we are taking part in a whole school sponsored superhero walk. This is to help raise money to fund our resources and equipment needed to enhance the children's learning.

The Superhero Walk will take place on **Tuesday 10th March**. The children can come to school dressed up as a superhero and will be sponsored to complete as many laps of the school as possible within 30 minutes for Foundation and Key Stage 1 and an hour for Key Stage 2.

The year group in each phase that raises the most money will have time on the bouncy castle!

If you would like to sponsor your child, please fill in the sponsorship form on the back and return to your class teacher by **Monday 16th March** with your sponsor money.

Any sponsorship money would be greatly appreciated.

Thank-you,

Miss Knight and Mrs Kuzyk

D&T co-ordinator and Mud Club Lead
