WHAT PEOPLE SAY

I have been blown away by the depth and quality of her study... I have seen her confidence grow and grow. What's more, the structure of the Arts Award is inclusive, nobody on the course needs any prior experience in dance, all have been welcomed and all have thrived... To my daughter and her group on the course, this has been the greatest gift of all, they have been able to blossom, learn and achieve in a safe supportive environment.

Everyone around you shares the same passion... You are given so many new and exciting opportunities... It's always so fun being a part of Moving Together!"

Moving Together Youth is proud to support young people to grow through creativity, community and achievement. Join us from Easter 2026!
