19TH JUNE 2026

A MESSAGE FROM SLT: MRS LAWES

The weather can't make its mind up this week but it has been brilliant at school all the same! A big thank you to everyone who attended our summer fayre – it was enormously busy and all the money raised will help to improve our school in the future. We've had some excellent trips this week with a visit to the zoo, Conkers and a church all taking place in the last few days. As Summer finally starts to make an appearance, please remember to talk to your child about sun safety so that we can enjoy what sunshine there is!

BOOK OF THE WEEK

Title: Cloud Busting by Malorie Blackman

Reading age: 9+

Why we love it: A thought-provoking tale told completely in verse. Sam is a bully and Davey is the victim. Each has a dramatic influence upon the other. The story highlights the importance of respecting individuality, loyalty and the unexpected impact people can have on our lives.

OTHER NOTES/LINKS:

SEND Support at Home – In the Woodlands this half-term, the children have been learning all about staying healthy, including making good food choices, keeping active and understanding the importance of hygiene.. If your child is struggling with this, here are some tips you can try: encourage them to help choose or prepare healthy meals, build short bursts of physical activity into your daily routine and create a consistent bedtime to support good rest. You could also practice hand washing with sensory activities using bubbles and warm water. Talking together and practicing at home can also really help reinforce what they are learning at school. Please see [here](#) for further details. If there is anything that you would like to seek further guidance and support with then please see our school website or contact the office to speak to the SEND Team.
