9TH JULY 2026

A MESSAGE FROM SLT: MISS KEDZIOR & MR BEARDSMORE

As we come towards the end of the school year, we wanted to take a moment to say a huge thank you for your continued support throughout the year. It has been a really positive year at ARH and there is so much for us to be proud of. Our children have worked incredibly hard, shown real resilience and continued to live out our school values each day; they have truly been their best! We have seen so many wonderful achievements across the school, from exciting learning in classrooms to trips, performances, sporting events, enrichment opportunities and everything in between. We are very proud of the progress the children have made, not just academically but also in the way they have grown in confidence, independence and kindness. They have been a real credit to you and to our school. Thank you also to our staff, who have worked so hard to support the children and make this year such a successful one. We know how much effort goes into making ARH the special place it is. We hope all of our families have a lovely, well-deserved rest over the summer break. Enjoy the time together, recharge and we look forward to welcoming everyone back for another exciting year.
