

ARH NEWSLETTER 26-27

18TH SEPTEMBER 2026

Our weekly newsletter for all our children and families in the ARH community

A MESSAGE FROM SLT: MRS COLLEY

This week has been a calm and positive week following our inspection last week. It has been wonderful to see the children so focused in their learning and continuing to form great relationships with their teachers and classmates. We have been particularly pleased to see the children settling so well into their routines and showing such enthusiasm for their learning. It has also been lovely to see so many parents and carers attending our weekly Parent Pop-in sessions. If you missed these this week, you are very welcome to join us next week. Thank you, as always, for your continued support and for working so closely with us to help our children thrive. We hope you all have a relaxing and enjoyable weekend.

LATEST NEWS

- **Flu Immunisation Day** – All children are being offered a free flu vaccination in school on Wednesday 30th September 2026. Flu can be an unpleasant illness and make some people seriously ill. Please see [here](#) for details on how to consent to your child having the vaccination and more information.
- **Considerate Parking Around School** - A friendly reminder to all parents and carers to please park courteously and responsibly when dropping off and collecting children from school. Please avoid blocking driveways, parking on pavements or obstructing access for residents and emergency vehicles. By parking considerately, we can help keep our children, families and wider neighbourhood safe and ensure that everyone can access the school safely.

REMINDERS

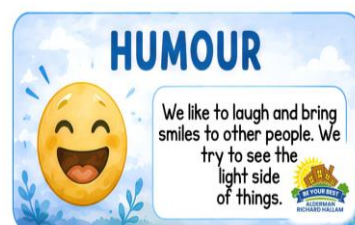

- **Year 6 Open Evenings** – Is your child in Year 6 and starting to think about secondary school? Beaumont Leys School and Babington Academy are both holding their Year 6 Open Evenings soon. See here for more information – [Babington Academy](#) & [Beaumont Leys School](#).
- **Loughborough Music Makers** – fun, practical music sessions for Years 1-6 based around musicianship, composition and ensemble skills starting on 19th September at the Loughborough Schools Foundation Music School. See attached [poster](#) for more information.

IFS SUPERSTARS

A big well done to the children across the school who have achieved our student spotlight of 'Curiosity' this week. Please click [here](#) to see our superstars.

ATTENDANCE

A huge well done to all our children, parents and carers for the fantastic attendance we have seen so far this academic year! Thank you for your continued support in ensuring your child arrives at school every day and on time, ready to learn.

As a reminder, leave of absence during term time can only be authorised where there are exceptional circumstances. Family holidays and other routine trips will not normally meet the criteria for authorisation. We understand that there may be occasions when time away from school is unavoidable, and we ask that you speak to the school and complete a leave of absence request form before making any arrangements. Every day in school makes a difference, so thank you for helping your child make the most of their learning opportunities!

SEND

A message from Leicester City Council's SEND Support Service

The SEND reforms provide an important opportunity to think about how children and young people can receive the right support, at the right time, closer to home. We are inviting parents and carers to join a conversation about Leicester City SEND offer. We want to understand what families already know about the support available, what is working well, where information and communication could be improved, and what families would like to see as SEND continues to develop. The session will also give parents and carers an opportunity to share their views on inclusion, access to support, and how education, health and care can work better together. Please see [here](#) for further details.

DATES FOR YOUR DIARY

OTHER NOTES/LINKS

- **Free School Meals** – Did you know your child may be entitled to free school meals? If you think you may be eligible, please take a moment to check and apply. Free school meals can provide valuable support for families and also help our school receive additional funding to support pupils. See the attached [poster](#) for further information.
