

ARH NEWSLETTER 26-27

25TH SEPTEMBER 2026

Our weekly newsletter for all our children and families in the ARH community

A MESSAGE FROM SLT: MRS NANDA

Hello everyone, it has been another wonderful and busy week at ARH! We have now shared our Ofsted report with you, and we hope you have had the opportunity to read it and share in our pride in the outcome. It is a real reflection of the hard work and commitment of our whole school community. Our Year 2 pupils have also had a fantastic visit to the farm this week. They had a wonderful time exploring, learning and getting involved in lots of exciting sensory activities. With Parents' Evening coming up, please make sure you have booked an appointment with your child's Class Teacher. We look forward to welcoming you and sharing your child's progress and achievements with you. Have a lovely weekend!

- **The Big Future Survey** – Children are invited to take part in The Big Future Survey, a national survey sharing children's views, experiences and hopes for the future. So far, 27 ARH pupils have taken part! The survey takes just a few minutes. Find out more and take part [here](#).

REMINDERS

- **Flu Immunisation Day** – All children are being offered a free flu vaccination in school on Wednesday 30th September 2026. Flu can be an unpleasant illness and make some people seriously ill. Please see [here](#) for details on how to consent to your child having the vaccination and more information.
- **Parents and Carers Evening** – We are happy to announce that this Parents and Carers evening will be taking place in person on Tuesday 6th October and Thursday 8th October. Please see [here](#) for more information.
- **Breakfast Club Reminder** – A reminder to Parents and Carers that children attending Breakfast Club must be dropped off directly at the Breakfast Club door, rather than at the main school gate. This helps us ensure that children go straight into Breakfast Club and are supervised safely. We have noticed some children are entering the school grounds and not making their way to Breakfast Club, which can lead to children playing and moving around the site unsupervised. Thank you for your support in helping us keep everyone safe.

IFS SUPERSTARS

A big well done to the children across the school who have achieved our student spotlight of 'Humour' this week. Please click [here](#) to see our superstars.

ATTENDANCE

We are really pleased with how strongly attendance has started this academic year, with our whole-school attendance currently at **97%**. Thank you to all our families for helping children attend regularly and arrive on time each day. Every school day counts, and good attendance gives children the best opportunity to keep up with their learning, enjoy school life and spend time with their friends.

If you are unsure whether your child is well enough to attend school, the [NHS website](#) provides helpful advice and guidance on common childhood illnesses and when children should stay at home.

Thank you for your continued support in keeping our attendance strong!

SEND

We know that supporting a child with Special Educational Needs and Disabilities (SEND) can sometimes feel overwhelming, and finding the right information at the right time is important. The Leicester Family Hub website is a valuable source of information for all parent and carers. The site brings together a wide range of support services, guidance, and practical resources to help families make informed decisions and access the assistance they need.

We encourage all families to explore the website and access the support available through <https://families.leicester.gov.uk>. [Homepage | Family Hub](#) If you are unsure where to start, this is an excellent first step in finding information and connecting with services that can support your child's needs and your family's wellbeing.
