Supporting Alderman Richard Hallam Primary School

We are getting ready for our annual Christmas Fayre at Alderman Richard Hallam Primary School, which is a much-loved event in our school calendar and brings together our children, families and the wider local community.

The Christmas Fayre is an important fundraising event for our school. The money raised helps us to provide additional opportunities, resources and experiences for our pupils, making a real difference to the children within our school.

As part of the fayre, we will be holding a raffle, and we are currently approaching local businesses to ask whether they would be kind enough to donate a prize, voucher, gift or service that we could include.

If you or a family member are a local business owner or know of one who could help us with a donation for one of our main raffle prizes of vouchers, experiences or services we would be very grateful.

We appreciate that businesses are approached regularly for support, so any contribution, however large or small, would be very gratefully received. A donated prize from your business could help us raise valuable funds while also giving our raffle participants the opportunity to discover and support a local business.
We would, of course, be delighted to acknowledge and thank your business for its generosity at the event and through our school communications/social media, where appropriate. We hope this will also provide an opportunity to showcase the wonderful businesses within our local community.

Our Christmas Fayre will take place on Wednesday 2nd December 2026 and we would be incredibly grateful if you would consider supporting us.

If you are able to donate a prize, voucher or gift, please contact either the school office or myself on the contact details at the bottom of this email. We would be very happy to arrange collection if that is more convenient for you.
Thank you very much for taking the time to consider our request. Your support, in whatever form it may take, will help us make our Christmas Fayre a success and, most importantly, help us provide even more for the children at Alderman Richard Hallam Primary School.

We truly appreciate the support of our local community and hope that you might be able to join us in making this year's Christmas Fayre a special one.

Kind Regards,

Sue Bourton
