2nd November 2026

Dear Parents and Carers,

We are excited to announce that on Friday 13th November, we will be supporting BBC Children in Need with a special non-uniform day!

Children are welcome to come to school wearing whatever they feel comfortable in. This could be spots, fancy dress, pyjamas, their favourite outfit or even their football kit. The choice is theirs!

This year's theme is 'Challenge Yourself for 2026', encouraging everyone to try something new, get creative or challenge themselves to do something they love 26 times. This could be baking, taking on a sponsored challenge, trying a new activity or coming up with an idea of their own. We would love our children to get involved and have fun while helping to make a difference.

Why are we supporting Children in Need?

BBC Children in Need is a charity that helps children and young people across the UK who are facing challenges in their lives. It supports projects and organisations working with children experiencing difficulties such as poverty, mental health struggles, anxiety, inequality and a lack of opportunities. The money raised helps provide support, improve lives and give children the chance to thrive. By taking part, we can come together as a school community to help support children who need it most. We would be grateful for any donations to support this fantastic cause.

Donations can be made online – https://donate.bbcchildreninneed.co.uk/

Thank you, as always, for your support and generosity. We look forward to seeing everyone get involved and helping us raise money for such a worthwhile charity!

Kind regards,
The Senior Leadership Team
