30th October 2026

Dear Parents and Carers,

YEAR 6 RESIDENTIAL TRIP CONDOVER HALL
WEDNESDAY 8th SEPTEMBER – FRIDAY 10th SEPTEMBER 2027

We are pleased to announce that your child has been offered the opportunity to attend an action packed residential with amazing memories that will last a lifetime!

For over 10 academic years now, we have taken our Year 6 pupils to Condover Hall, a beautiful Elizabethan residential activity centre in Shrewsbury. The children thoroughly enjoy every second of the three-day trip and it really is the highlight of Year 6!

As your child will be in Year 6 next year, we would like to start making the necessary arrangements for their residential. To help to save with the cost of the trip, we have moved this residential trip to September (2027). Due to this date change, we have managed to secure an approximate cost of **£195** – options for payment plans will be available. This cost includes: travelling expenses, all residential activities, accommodation and food arrangements.

For some children, the thought of spending time away from their loved ones can seem daunting however we cannot stress enough the positive experiences and qualities that your child will get from a trip like this. In fact, in previous years, it was the parents and carers of the children that had initial concerns, who stated that the Condover Hall experience gave their child the confidence, independence and 'I can do it' attitude that they needed to continue to be successful at secondary school.

Activities available ***could*** include (weather permitting):

- Abseiling
- Laser Quest
- High ropes
- Orienteering
- Jacobs ladder
- Gladiator Wall
- Sensor trail – prepare to get muddy!
- A zip wire
- A disco
- And much. much more!

If you would like your child to join us on this exciting adventure, please pay a non-refundable deposit of **£25.00 on Arbor by Monday 30th November to secure a place**. **We cannot accept payments after this time.**

If you are unable to make payment, but would still like your child to attend, please book an appointment to speak to Mr Beardsmore, our Deputy Headteacher. Unfortunately, due to time restraints, we cannot extend this deadline.

Thank you for your continued support – this is an experience that your child will never forget!

Yours faithfully
Year 6 Teachers

Creating memories that will last a lifetime!
