Keeping Our Children Safe on School Grounds

A reminder for all parents and carers

We kindly ask all parents and carers to ensure that children are supervised at all times when on school grounds, particularly at the beginning and end of the school day.

Please make sure that any activities children take part in are safe and do not cause damage to school property.

For safety reasons, climbing trees is strictly prohibited. Falling from a height can cause serious injuries, and some of the trees on our school site may not be strong enough to support a child's weight and could easily break.

We all have a responsibility to help keep our school environment safe for everyone.

Thank you for your cooperation and for helping us to keep all children in our ARH community safe.
