How does it work?

With My School Fund, you can link your spend at participating retailers to our school. This means every time you make a purchase, we both benefit through this innovative cashback scheme.

What's in it for you and your child's school?

Unlike other cashback schemes, as well as the school benefiting, you will also earn eGift rewards based on a percentage of your spend in participating retailers. Win Win.

Add that all up across our school's network of families and together we can all make a big difference!
